IOSH Managing Safely

The Institution of Occupational Safety & Health Course is for those required to manage safely and effectively in compliance with both legislation and their organisation's policy.

WorkSafe is licensed by IOSH to deliver this programme, which encourages delegates to take a proactive, risk management-driven approach to health and safety, *Managing Safely* is based on:

- Identification and achievement of desired workplace behaviours
- Skills-based training with practical exercises.
- Formal assessment of skills as well as underpinning knowledge.
- Best practice rather than legislation.

Assessment is by means of a 45-minute short answer questionnaire and a project. Maximum of 12 delegates per course.

This course can be delivered over 4 – 5 days to suit your business requirements on your premises, contact us for further details of this option.
